---	--

Summary of Qualifications: Ms. Voelker has over nineteen years of landscape architectural experience and has practiced in several states besides Maryland. Her duties include assisting staff with planting plans, construction detailing, and computerized graphic presentations. She is proficient with AutoCAD, Photoshop, Illustrator, and Sketchup.

CALICO ROCKS REGIONAL PARK MASTER PLAN **2019**

Frederick County Division of Parks and Recreation

Assisted with the preparation of graphic presentations for the master plan, including site analysis, land use, and master plan features.

MATTHEWSTOWN HARMANS PARK **2019**

Anne Arundel County Department of Recreation and Parks

Developed the graphics for several interpretive storyboards depicting the history of the site as well as environmental features along a pathway. Utilized both Photoshop and Illustrator to create custom, high resolution output for large format permanent signs.

POINT OF ROCKS COMMUNITY COMMONS PARK **2018**

Frederick County Division of Parks and Recreation

Developed the graphics for several interpretive storyboards depicting the historical significance of the site, how the site is affected by flooding, and explanation of site and environmental features. Utilized both Photoshop and Illustrator to create custom, high resolution output for large format permanent signs.

BALLENGER CREEK TRAIL **2019**

Frederick County Division of Parks and Recreation

Developed the graphics for trailhead signs for wayfinding and trail information for a 4-mile multi-use trail.

MAYO PENINSULA PARKS MASTER PLANS **2018**

BEVERLY TRITON NATURE PARK **2019**

Anne Arundel County Department of Recreation and Parks

Assisted with the preparation of graphic presentations for the master plans for five park sites in Anne Arundel County. Developed PowerPoint slides for community meeting presentations of the construction plans for the Beverly Triton Nature Park.

TOWSON STATION **2018**

Caves Valley Partners

Created graphic views of the site plan and site sections for a commercial retail development in Towson, Maryland. Utilized a combination of AutoCAD and Photoshop to produce high resolution images for public presentations.

SERENITY RIDGE NATURAL CEMETERY AND ARBORETUM **2020**

Howard K. Berg and David J. Berg

Assisted with the development of the site plan and PowerPoint presentation for a new cemetery in Baltimore County. Utilized Photoshop to create a combination site plan and map for client meetings with county executives.

WOODLAND GARDENS **2020**

CHAI: Comprehensive Housing Assistance, Inc.

Developed site plans, context maps, and community analysis for a multi-family housing project in Baltimore. Created PowerPoint presentation for city and community review.
